BIG SHOW DUE FEBRUARY 27

"Abe" Ballot and "Pat" Thorpe to Put on Thrilling Acts—Proceeds Go to Paul Hamlin.

THRILLS COMING

Plans for the Y. M. C. A. Show for the benefit of the Hamilton in China Fund are progressing rapidly due to the energy of Manager Abe Ballot.

The date has been decided upon as February 27th, and the hour will be 8 P. M. The place: Commons Hall.

The chief attractions as before mentioned, will be Prof. Pat Thorpe and his troupe of Lumberg Chorines. This act is rehearsing frequently under the leadersip of the Professor and will be on their toes to give the audience a thrill a second during their performance.

Besides this great number, the program will consist of acts by the best of the college talent.

Teddie the Cartoonist, popular wherever he appears, has promised to give the best exhibition of sketches of college life that has ever been shown. If you want to see yourself as others see you be sure and be on hand for that number.

Billie the Jazz Kid has turned down several offers in order to give to the practice of his new act the time necessary that it shall be the greatest effort of his college life. If you have enjoyed him before, you will marvel at his ability during his act.

The Quartette, which never is heard too often, to satisfy lovers of good singing, is working hard on some entirely new stuff especially for this appearance.

Great Mystery Monologist

Last but not least, the Great Mystery Monologist, caught lurking on the Hill, by Manager Ballot has consented to give a short sketch providing that his identity is not made known. In his rehearsals the Mysterious Monologist has shown Manager Ballot that his act is worth a place on the major Keith Circuit. In fact it is rumored that he intends to leave and enter vaudeville in the immediate future.

Taken all in all the program is more than worth the small price of thirty-five cents admission. But considering the good cause for which the entertainment is given, those who attend will be doubly repaid for their efforts.

DEATH OF MRS. CLARKE

The news has just been received that Mrs. Clarke, wife of Professor Clarke, formerly of Hamilton College, died of pneumonia on February 8, 1920, at Columbus, Ohio. This sad news comes as a shock to all who knew Professor Clarke. His many friends feel deeply his bereavement.

NOTED SPEAKERS HERE IN MARCH

Two Myers Lecturers Secured to Speak March 5 and 17—Dr. Finley and Prof. Lomax.

BOTH EDUCATORS

Dr. John Huston Finley, president of the University of the State of New York, has been engaged to deliver the second Meyers lecture of the Winter in the Chapel, Friday evening, March 10. The topic of his lecture has not been announced as yet, but is sure to be one of current interest.

Dr. Finley is one of the most widely recognized authorities on education in the United States at the present time, having spent all of the time since his graduation from Knox College in 1887 in some form of educaional work. Dr. Finley was born at Grand Ridge, Illinois, October 19, 1863, and was prepared for college in the public schools of his birthplace. He entered Knox College in the fall of 1883, graduating with the class of 1887. His next two years were spent in study at Johns Hopkins University.

After completing his studies, Dr. Finley accepted the position of Secretary of the State Charities Aid Association of New York, which he held from 1889 until 1892, when he resigned to accept the presidency of Knox College. From 1900 to 1903 he acted as Professor of Politics at Princeton, leaving there to become President of the College of th City of New York. He served in that capacity until 1913, when he was chosen as Commissioner of Education of the State of New York, and President of the University of the State of New York.

Dr. Finley's Honors

During his life as an educator, Dr. Finley has received many honors of note. He was the Exchange Lecturer of Harvard University on the Hyde foundation at the Sorbonne, Paris, in 1910-11, and a member of the board of arbitrators in the Eastern Railway Controversey of 1913-14. In 1914-15 he served as chairman of the New York State Constitutional Convention Committee, trustee of the New York Life Insurance Co., and of the Sage Foundation of Knox College.

The Emperor of Japan made him a member of the Order of the Rising Sun, an honor given to very few persons outside of the Oriental kingdom. He is also a Knight of the Legion of Honor of France. Dr. Finley holds membership in the National Institution of Arts and Letters, was President of the American Social Science Association (1910-11), vice-president of the National Institution of Social Sciences, director of the N. E. A., ex-president of the Japanese Society of New York, President of the Grover

WESLEYAN DEFEATS HAMILTON IN EXCITING, HARD-FOUGHT GAME

Wesleyan's Final Score Gained at End of Game—Buff and Blue Overcome by Sudden Change in Line-up of Opponents and Their Lucky Shots—Captain Baumler Not With the Team.

Saturday afternoon the Buff and Blue Basketball Team lost to Wesleyan at Middletown by a score of 39 to 25. The game was much closer than the score indicates, Wesleyan securing a large lead only in the last few minutes of play. Throughout the whole game the playing was exceptionally fast and only a few points separated the teams. With but about five minutes to play, Wesleyan by a series of baskets went well into the lead. Hamilton was geatly handicapped by the loss of Captain Baumler, who was unable to go with the team on account of a death in his family. Aberdick, the referee who handled the game, allowed a great deal of body checking and at times lost control of the game.

The first half was fast and close, and both teams fought hard to go into the lead. Lawler started the scoring on a foul, and Wesleyan soon followed with a field basket. From then to the end of the period it was a nip and tuck battle, Wesleyan coming out on top at half time with a five point lead, the score being 18-13 in her favor. During this period Hamilton outpassed her opponents, but failed to press the attack in her own territory.

Tie Early in Second Half

Hamilton went into the second half with a determination to overcome Wesleyan's lead. In a few minutes of play the score was tied, and each team was striving hard to gain the lead. In this period Wesleyan strengthened her line-up, Travis replacing Tomlinson at right forward and Hartman going in center. This combination seemed to work better than the five men of the first half. Welsh replaced Johnson, who took Parmelee's position and later Keehn substituted for Johnson. Hamilton put up a strong fight in the last few minutes but were unable to check Wesleyan's attack. Welsh did some good work during this last period and came through with two baskets.

Wesleyan's Lucky Shots

Lucky shooting by Wesleyan at critical times during the game gave them a decided advantage. Time after time tallies from long shots boosted their score when Hamilton was threatening them most. The Buff and Blue were unable to cage any long shots, but had to secure their points by working the ball well up under the basket. Although defeated by 14 points Hamilton was in no way greatly outplayed, but put up a fine brand of ball. However, the breaks went against the team, and Wesleyan was able to come through with a victory.

The line-up and summary:

Hamilton 25.	F.B.	F.P.	Total
Morrow, l.f			
Johnson, r.f.,	1		1

WILLIAMS ON SATURDAY

Return Game at Williamstown.

Saturday the Buff and Blue basketball tossers will meet the strong Williams five on the Purple's court. Early in the season Williams defeated Wesleyan by a narrow margin and judging from the result of last week's game Hamilton has a hard fight ahead of her.

The loss of Captain Baumler at right guard was a serious handicap in the Wesleyan game. But the team will have to play a better brand of basketball at Williamstown if they are to bring back a victory. Wesleyan is the only team that both Hamilton and Williams have met this year and the two results seem to give the Purple a slight advantage over the Buff and Blue.

Last fall Williams defeated Hamilton in football after a hard, grilling game. The team is eager to even things up by handing Williams the small end of the score on Saturday, and are going to Williamstown bent on revenge.

Little is known as to the line-up with which Williams will face Hamilton, but undoubtedly Boynton will hold down one of the guard positions. He was the main cause of Hamilton's defeat in the fall and the Buff and Blue warriors intend to see to it that he does not do it again.

Hamilton will probably line up as follows: Morrow, left forward; Johnson, right forward; Lawler, center; Baumler, left guard, and Cowan, right guard.

THE HAMILTONIAN

Plans for the completion of the Hamiltonian are progressing rapidly, with Editor Gapp, Manager Pickard, and the other members of the Board working hard to get the book out by the first of May and to have it bigger and better than ever. All the copy is being rushed as much as possible and will probably all be in the hands of the printer before another month goes by. The individual pictures of the Junior Class men are now completed and have been turned over to the printer. The scurfs to accompany the pictures have been collected and promise to be the best in many years.

Many fine views of the Campus and stunt pictures taken around the college have been collected and will form an interesting part of the book. "Ted" Paton, the versatile Art Editor of this Hamiltonian, is planning to enliven the book with several dozens of cartoons. The cartoons are said to be very good and of a varied character, as there are now several good cartoonists submitting drawings for the book.

The binding for the 1921 Hamiltonian has not been definitely decided on, but Manager Pickard promises a substantial and decorative one of dark background and gold lettering.

REPARATION

Carpe Diem and Others Pull a Bone.

Last week Carpe Diem made a mistake, which was the climax of other mistakes, and for our error we wish to make full and complete reparation.

The cause of the whole trouble was the use of such a harmless object as the balloon. It seems that the Gym. was to represent a garden and the Sophomore Tea Dance a carnival. Both affairs were light and airy, and so both had recourse to balloons. The decorations at the Tea Dance were ordered late last fall, but this knowledge did not reach the ears of the Prom. Committee until a day or so before the arrival of the female guests

It is unfortunate that there was a coincidence of ideas, but both places looked very pretty, and the originators of both plans can be congratulated on the success of their projects. Our guests must have thought that the college would be very partial to the air service should there be another war. Carpe Diem, however, is sorry that any trouble should have arisen, and wishes to make amends for instigating discord. Don't sue, Mister, I'll make an apology.

ALUMNI NOTES

—Johnson, '23, who was hurt in a coasting accident, is well on the road to recovery. His leg, which was broken in two places, is healing rapidly. It is expected that he will be moved to his home in Hudson, N. Y., within the next few days.

—Hon. George E. Dunham of the class of '79 was recently honored by the managers of the Utica State Hospital when the name of the acute hospital was changed to Dunham Hall. This action was taken in acknowledgement and recognition of the unique record of more than 30 years of faithful and efficient service of Mr. Dunham.

Attention!

We must again call the attention of the college to that "Hello" which is such an important part of the democratic side of our college. **DON'T FORGET** it.

* * *

The Infirmary Fiasco

With the approach of Spring and with the resulting severity of the weather, the old problem of sickness again comes to our notice. **Life's** campaign for a regular method of handling the situation presents itself to our attention with renewed ardor.

Elaborate plans for a hospital ward in the Y. M. C. A. with a Clinton physician in charge were promised by the trustees in their annual meeting. Seemingly the situation was cared for and the feeling of bitterness caused by the too prevalent spread of disease year after year due to lack of proper preventatives was silenced for the time being.

But the state of affairs which comes again to us today betrays the same old alarming conditions. There are scattering cases of grippe and the usual contagious worries in every house on the Hill. Men are out with the "Flu" trusting to their own wisdom and the care of their fellow students for their well being. Evidently the college authorities have failed miserably in their scheme. The Clinton doctor appears, it is true, but has no place for seclusion of his patients. He holds forth in a bare room without even a table to rest his instruments on.

The system which was promised to us by our authorities has failed to materialize. Even the inadequate thing thus dangled before us to appease those who cried for protection in this respect has fallen down. How much longer are Hamilton men going to tolerate this condition of affairs?

* * *

The Blue Term

From Prom until Easter vacation comes the period which is known as the "blue term." It is a time when pep runs low, men feel crabbed, and everything seems wrong. This period always spells disaster in a small college, as nobody is interested in anything and even best friends bore and are pests.

Let us all try to make the "blue period" of this college year an amiable and pleasant period. There is no reason why the blues should invade the Hill. We have too much to do to take "time out" to be blue. There is work on this hilltop for every man—basketball, hockey, and track are all definitely under way; the Musical Clubs are driving the blues away with harmony; and we will soon see a series of shows, movie entertainments, and lectures to liven up the long winter evenings. Everyone should get interested in something and keep interested. This is no place for a loafer, a crabber, or a kicker. **Get busy** and **stay busy!** There is only one cure for the blues and that is spelled A-C-T-I-V-I-T-Y. J. E. H.

Spice o' Life

Weakley Pome

Our pleasures are over, we now settle down,
The Prom is a thing of the past;
The party was perfect, we did it up brown,
And were happy right up to the last.
We had not a care to hamper our fun,
The outlook was rosy and bright;
We started as soon as each dance was begun,
And danced away morning and night.

Yes, pleasures are over, it's quite different now,
We can't even laugh at a joke;
For most of us fellows will sadly allow
We're financially embarrassed and broke;
The song that we now hear pervading the air
Is "Lend me a five or a ten,"
And letters home say, "It's the last time, I swear;
I'll never get in deep again."

In Supe's Class

Ives: "What will we have for next time, Professor?"

Supe: "A lot of boobs without their lessons prepared."

Supe, to Ham Peck, who was sitting with his back toward the Professor: "Turn around, Peck, and look at me. I have to look at you."

Chubby Ristine talking about Macaulay: "He was 28 then. Later, of course, he was older."

Past and Present

In 1917 Tomper wanted to revise the I. D. R. Now he wants to revise the world.

Sky Brandt recently tried to sell a number of dirty collars to Mrs. King in order to buy some pie. A posse is now searching the Hill for Sky. A reward is offered for his return safe and sound.

Hawkes: "I hear you flunked debate."

Martin: "So they tell me."

Hawkes: "I wonder why? You're the best bull shooter in the crowd."

Martin: "Oh, Cal is jealous."

Fry: "I could never understand why they call methyl alcohol wood alcohol.

Paton: "Because it is associated with a long wooden box."

Hank: "Gimme a cigaret, Mace."

Macey: "I bummed this off Sully."

Hank: "So he said, but where is the other one?"

"Cowboy Ballads"

On the evening of March 17, Professor John Avery Lomax will deliver the third Meyers lecture to the undergraduate body. Professor Lomax was sought for as a Meyers lecturer two years ago, but was unable to offer a vacant date on his schedule to give the lecture. He has an enviable reputation as a lecturer throughout the country, having given his lecture on "Cowboy Ballads" in most of the larger cities of the United States.

Although born at Goodman, Mississippi, September 23, 1870, he received his preparation for college at Cranbury, Texas. He received his college education at Weatherby, and spent some time studying at the Universities of Texas and Chicago. From 1897 until 1903, he served as Registrar of the University of Texas, and then for a year as instructor of English in the same institution. An offer to act as Associate Professor at the Texas Agricultural College was accepted by him and held until 1910. Since that date he has been secretary of the University of Texas.

He holds the degree of Bachelor of Arts from the University of Texas, and the degree of Master of Arts from the University of Texas and Harvard University.

COLLEGES FAVOR TREATY COMPROMISE

150 for Compromise—11 for Total Rejection of Treaty.

On January 13 more than four hundred colleges and universities participated in a straw vote on the question of a ratification of the Treaty of Versailles. Hamilton College registered its sentiments in regard to the four options offered to undergraduates and faculty members as follows: 150 for a compromise between the positions of the Democrats and the Lodge reservations in order to ratify the treaty; 56 for ratification of the treaty as it stands; 52 for the Lodge reservations as a prerequisite to ratification; and 11 for a total rejection of the treaty.

This result of the vote compared with that of the majority of other colleges in the country, especially those in the Eastern States. A few southern colleges gave a plurality to ratification without any changes whatsoever, while Michigan and some other colleges and universities of the Middle West supported the Lodge program. In almost every instance the advocates of rejection were a poor fourth. An interesting phase of the straw vote lies in the fact that the faculty members of the colleges and universities distributed their votes in the same ratio as the students at the same institutions.

Senators Lodge and Hitchcock both approved the form of the questions and ballots, and the presidents of Columbia, Harvard, Princeton, and Yale acted on the advisory committee of the movement. Both men and women students voted.

Yale, Princeton, and Harvard overwhelmingly favored compromise. Amherst and Cornell voted for unreserved ratification. Elmira was slightly in favor of ratification without reservations and the University of Buffalo preferred the Lodge reservations. R. P. I. and Brown voted for No. 6, which was a compromise between the Lodge program and the Democrats.

The straw vote will be interesting six months from now, as it would have been six months ago.

College Notes

Hamilton College is located near Clinton, nine miles from Utica. You see, Colgate is in the village of Hamilton.

The ghosts of the past come back to haunt us. Samuel Kirkland, Skenandoah, Philip Caryl Jessup, and bill collectors are frequent visitors to the hill. And, lest we forget, Her bread-and-butter letter.

Democracy has moved to Albany, but its bullworks we have always with us.

The recent attempt in Carnegie to supplant John Barleycorn by John Drinkwater has proven a complete failure.

We must now listen to that touching little ballad entitled "I made me what I am today," sung by the unsurpassable quartette, Ritterbush, Farrand, Hawkes, and Fry.

In the Scientific American of a recent issue we came across a valuable list of the Seven Wonders of the Modern World. College is a place for improving the mind, so we offer this precious information here.

Doctors Prescribe John's CASCARA Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk... **John's Cascara Compound Tablets** are the ideal agent for overcoming habitual constipation. IDEAL because they contain no irritating cathartics which apply the whip to the intestines, weaken the system and end by aggravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets is due entirely to Johns' concentrated and refined extract of Cascara Sagrada, the "sacred bark" of the Aztecs, who knew its value in correcting constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss of appetite. They remove greasiness and sallowness of the complexion. They are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning a natural and complete evacuation of the bowel contents. The continued use of Johns' Cascara Compound Tablets can be nothing but beneficial. Price, 25 cents.

WINTER CARNIVAL NOT YET OVER

Relay Race and Alpha Delt Versus College Hockey Game Will Draw Big Crowd.

SO FAR '22 AHEAD

The final events of the winter carnival which was started a week ago will be held at the soonest possible time according to Coach Prettyman, who is in charge of the arrangements. Due to the use of the hockey rink and the competition of the men on the hockey team in the relay race, which is the main event to be run off, the carnival will probably not be finished for some time. Cancellations of one of the regularly scheduled games with Springfield or Williams offers the only possible chance of completing the schedule within the next two weeks.

Thus far the Sophomore Class has a lead of one point over the "Slimers." The score by classes in the events held so far is as follows: Sophomores, 13; Freshmen, 12; Seniors, 8; Juniors, 6.

But as the last event is a mile relay race on skates, it is more than probable that the final score will be changed somewhat. For the race, a relay team of four men from each class will be selected, each man to complete the distance of five laps around the rink.

Alpha Delt vs. College

Interest in the Alpha Delts vs. The College hockey game is arousing considerable interest about the Hill and promises to draw as large a crowd from among the undergraduates at least as a regularly scheduled intercollegiate game.

From casual observation it would seem that the advantage would lie mainly on the side with the Alpha Delts, but the number of men taking part in the games played so far are evenly divided. The number of outside men to be drawn from are practically equal with, the advantage slightly toward the College.

Of these men who have taken part in a game , five are aligned on each side. The Alpha Delt team will consist of the two Kaisers, "Al" and "Dick," the Reeder brothers, "Dick" and "Babe," Peckham, and two other men to be chosen later. The varsity men upholding the honor of the rest of the college and the manner in which they are distributed is as follows: Calkins, '20, Psi U.; Cobb, '20, Chi Psi; Clarke, '21, Chi Psi; Seaver, '21, Psi U, and Thompson, '23, Theta Delta Chi.

The game promises to be fast and rough enough to keep the attention of all spectators. No admission will be charged.

—William H. Callahan, M. D., '99, has removed his offices to 310 Central Office Building, Minneapolis, Minn.

—The Hon. Joseph I. France, Ph.D., M. D., M. S., Senator from Maryland, is one of the so-called "irreconcilables" in the treaty fight. Senator France recently mailed one of his printed addresses to the undergraduates of Hamilton College.

ROBERTS NOT FRASER PROM DECORATOR

Life begs to make the correction that the decorator for Junior Prom was William Banton of John A. Roberts of Utica, and not Fraser, as erroneously reported in a recent issue of **Life** and in the Utica "Daily Press."

Mr. Branton, who superintended the work of glorifying the Gym for Junior Prom, has taken prizes all over the State for his window decorations and his excellent work on the Hill is an example of the technique of a clever, polished artist.

COLLEGE CLUBS MEET

French and German Clubs Read Well-known Comedies.

The French and German Clubs have recently held their usual meetings at the homes of Professors Shepard and Brandt respectively.

The advanced French students read "Gringoire" by Theodore de Banville at the first meeting of the present term. A number of well-known French comedies will follow as the Club meets every other Monday evening. The third year French students meet at Professor Shepard's on the Monday which the advanced students skip. The members of the advanced French Club are Messrs. Couper, Kennedy, Nino, Parmelee, Salbitano, Turner, VanNorden, '20, Ballot, Forshay, and Maier, '21.

The German Club, consisting of advanced German students, held its first meeting of the new term at the home of Dr. Brandt on Friday evening, February 13. The Club meets every two weeks and is reading the humorous play entitled, "Koepnickerstrasse 120" by Moser and Heiden. Last term "Die Journalisten" by Gustav Freitag was read. After each reading German college and popular songs are sung. The Club consists of Messrs. Brown, Foss, Schwartz, Thorp, VanNorden, '20, Fry, Gapp, May, Pendleton, Reid, Rodgers, '21, and Ibbotson, '22.

—C. Richmond Millham, '99, of Rochester, N. Y., is spending the winter in Florida.

—Gardner F. Parks, '19, has been transferred from Albany to Utica. He is in the employ of the Standard Oil Company.

—W. Curtis Knox, '12, formerly of Knoxboro, later of Utica, and lastly connected with the Oneida Community Limited Company, having been honorably discharged from the service, is back on the job in his home town. During the active hostilities incident to the war he was a private in the Headquarters Company of the Fifty-eighth Infantry, Fourth Division. Mr. Knox was a famous football player at Hamilton College, from which he graduated in the class of 1912. Later and for some time he was employed in the business office of the Utica Daily Press. During his absence overseas extracts from several of his letters were published here.

LEADER TURNER CUTS DOWN CLUB

Makes Radical Change in Instrumental Club—Will be Like a Jazz Band.

GLEE CLUB CUT

Material changes have taken place in the personnel of the Musical Clubs. Leaders Peters and Turner have both made cuts. The cut of Leader Turner was more like a radical change than a cut. He is following the plan set down by the Instrumental Club of the University of Michigan. It will be more like a jazz band than an instrumental club. Leader Turner found this step necessary as his club was unwieldy and unbalanced, and it is certain that with these ten men the Instrumental Club can hold up their end of the concerts. It now consists of the following men: Kaiser and Turner, '20, Fisk, Wettel, Pritchett, Keehn, and Parker, '21, Turner and Macey, '22, and Langtry, '23.

Through the large cut made in the Instrumental Cluub Leader Peters of the Glee Club will be able to carry more men. He has recently made a cut and is at present working hard to get his club on a concert basis.

Professor Ryan

Prof. Ryan of Utica will be out in the near future to give the Club some instruction in choral singing. The Glee Club is now made up as follows: First tenors, Peters, Ritterbush, Keeler, '20, Paton, Pritchett, Fisk, '21, McClay, '22, and Daniels, '23; second tenors, Calkins, Martin, Kaiser, '20, Harper, Daniels, Moffat, '21, Fitch and Rounds, '23; first bass, Forshay, Holler, Larned, Pendleton, and Parker, '21, Pope and Macey, '22; second bass, Thorp, Thompson, Gorman, '20, Whitbeck, Maier, '21, Burns, '22, and Brandow, '23; Griffith, '21, monologist.

Manager Kneeland as yet has the schedule on only a tentative basis. He is at present on a trip to New York arranging for the Easter trip, and definite announcement of the trip will be made public on his return.

BASEBALL PROSPECTS

Practice for Frosh First Week in March—Indoor Work Till Easter.

With the sun getting higher in the heavens each day, thoughts of baseball are beginning to run through the minds of everyone in college. Hamilton has a brighter outlook this year than it has had in quite a long time. The real needs this year are pitchers and a man for third base. Moffat, who played this position last year, will probably be shifted to the keystone sack to take the place of Captain Fursman, who was graduated last year. Captain Johnson will cover first base again and Artie Campbell will burn up the ground in the capacity of shortstop.

The outfield is a veteran one consisting of Clark, Pritchard and King, with Barry for substitute. Gorman's ankle is in the best of condition and no doubt the opoing of the season will find him again as the backstop, with Davis, '22, in reserve.

Practice will start the first week in March. This first week will be for Freshmen only, so that the coach can see the material of the entering class. Beginning with the second week indoor workouts will be held until spring vacation, after which the boys will begin the final work in preparation for the first game on May 1st.

YAHNUNDASIS BEATS SCRUBS ON THE RINK

Steady Playing by Watkins and Tilton—Calkins and Peckham Stars for Scrubs.

SCORE 3 TO 1

Hamilton's second hockey team went down to defeat Saturday afternoon before the scrappy team of the Yahnundasis Golf Club of Utica. The game was rather slow with moments of brilliant playing by Watkins and Tilton of the visitors, and Calkins and Peckham of the Hamilton team. The superior weight of the local seven was more than outbalanced by the continual fight which was maintained by the Utica team.

The first half of the game was much snappier than the final period, the score at the whistle being 3 to 1 for the visitors.

The lineup and summary are as follows:

Yahnundasis.	Hamilton.
Watkins, lw.	Peckham, lw.
Casey (Capt.) rw.	Price, rw.
Hyland, rover.	Calkins, rover.
Tilton, center.	Seaver, center.
Hatfield, point.	J. Kaiser, point.
Winslow, coverpoint.	M. Harper.
Reusswig, goal.	May, goal.

Scoring for Y. G. C., Watkins 2, Casey, Hylan, Tilton; for Hamilton, Peckham, Seaver. Substitutions, for Y. G. C., Hedges for Reusswig, for Scrubs, Swartwout for Harper, Harper for Price, Price for Harper.

Referee, Dr. A. P. Saunders. Timer, R. Turner.

FINAL DEBATE TRIALS

Teams to be Chosen Wednesday and Thursday.

The final debate trials for the Intercollegiate teams will be Wednesday and Thursday of this week. The men have been working on the subject, "Resolved, That Labor through representatives of its own choice should share in the management of corporate industry." The time of debate and the men as they are to try out are as follows: Those to try out Wednesday, February 18, at 7:30 p. m. in the chapel: Affirmative, Covey, Fry, and Hartness. Negative, A. Thompson, Finegan, and Yates. February 19, at 4:30, in room 1 of Truax Hall: Ritterbush, Kennedy, and Hyde will uphold the affirmative, and Calkins, T. Turner, and Keeler will defend the negative. The same evening at 7:30 in the Chapel, Wheeler, Rosenthal, and Rodgers will speak on the affirmative and Davison, Alfange, and Langtry on the negative side of the question.
